

New Joint Negotiating Committee for Higher Education Staff

PAY SETTLEMENT 2010/2011

1. PAY INCREASE

Pay rates for non-clinical staff covered by HE national agreements will be increased as follows:

1 August 2010	0.4%
---------------	------

The attached sheet sets out the uplifting of the single pay spine to give effect to this increase.

Post-92 HEIs retaining separate London weightings are recommended to increase these on average by the same percentage uplift.

If an HEI is in serious financial difficulty it may defer implementation of the above increase by up to 11 months in order to minimise job losses.

2. JOINT WORKING: OTHER ISSUES

To complete the work programmes and take forward the various agreed initiatives of the New JNCHES working groups which include:

Equality working group

- A survey on equal pay reviews within HEIs and research on the gender pay gap.

Pay framework & data research working group

- Update of the pay chapter from the 2008 JNCHES review of HE finance & pay data; new research on the application of the framework agreement to modernise pay structures and work to improve data collection.

Sustainability issues working group

- Initiatives that support the process of workforce change such as joint workshops and case studies.
- Development and dissemination of briefing material on financial issues.
- Updating the finance chapter of the 2008 JNCHES review of the financial position of the HE sector.

3. INITIATIVE ON TRAINING AND DEVOPMENT OF STAFF IN HIGHER EDUCATION.

To establish a forum for staff development in higher education for trade unions, HEI representatives and other relevant agencies. Its purpose would be to share information and knowledge, engage stakeholders and to identify potential joint work that would assist HEIs and staff in maximising the opportunities and benefits of training, development and apprenticeships.

The forum will, as early tasks, seek to:

- agree an enabling framework on the training and development of staff in higher education;
- initiate work to encourage opportunities for apprenticeships in higher education.

*As at 21.1.2011 the parties to this settlement are UCEA, Unison, Unite and GMB.
